

Hidden Gem Essential Oils for Cannabis Skincare

Clary Sage Oil - Hormonal Balance and Skin Clarity

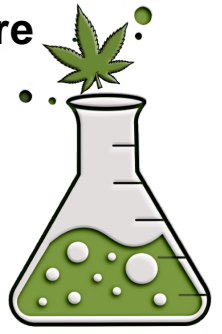

Clary sage essential oil balances hormonal fluctuations affecting the skin. It regulates sebum production, making it excellent for oily or acne-prone skin when combined with CBD-rich cannabis extracts.

- **Aroma:** Fresh, herbaceous, slightly sweet, floral, earthy
- **Common Names:** Clary Sage, Clear Eye, Clarywort
- **Method:** Steam distillation
- **Plant Part:** Flowering tops and leaves
- **INCI:** Salvia Sclarea (Clary) Oil
- **Terpenes:** Linalool, Linalyl acetate, Germacrene D
- **Complementary Strains:** Do-Si-Dos, Zkittlez, Amnesia Haze

Therapeutic Uses:

- **Emotional:** Reduces stress, balances mood swings, eases depression
- **Physical:** Balances hormones, alleviates cramps, supports sleep
- **Skin Care:** Clears oily skin, soothes inflammation
- **Hair Care:** Balances scalp, strengthens follicles, reduces dandruff

Hidden Gem Essential Oils for Cannabis Skincare

Myrrh Oil - Deep Nourishment and Antioxidant Boost

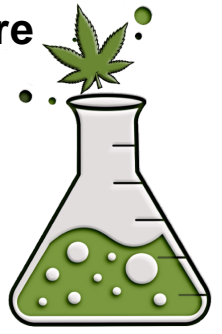

Myrrh oil is revered for skin rejuvenation. Rich in antioxidants and anti-inflammatory properties, it enhances the calming effect of cannabis on mature and sensitive skin.

- **Aroma:** Warm, rich, smoky, sweet-balsamic
- **Common Names:** Myrrh, African Myrrh, Gum Myrrh
- **Method:** Steam distillation
- **Plant Part:** Resin
- **INCI:** Commiphora Myrrha Oil
- **Terpenes:** Curzerene, Furanoeudesma-1,3-diene, Lindestrene
- **Complementary Strains:** Afghan Kush, Master Kush, Kosher Kush

Therapeutic Uses:

- **Emotional:** Grounding, spiritual connection, eases grief
- **Physical:** Anti-inflammatory, immune boosting, wound healing
- **Skin Care:** Heals cracked skin, reduces wrinkles, soothes eczema
- **Hair Care:** Moisturizes scalp, restores shine

Hidden Gem Essential Oils for Cannabis Skincare
